## PRESIDENT WILF GETS HONOURED

The governor general of Canada, Michaëlle Jean, appointed RI President Wilfrid J. Wilkinson a Member to the Order of Canada for outstanding dedication to the community and service to the nation, on 3 May. It is Canada's highest civilian honor.

He was nominated by several organizations, including the Rotary Club of Trenton, Ontario, and the Quinte Ballet School, where he served as executive director.

"I am honored to receive this award," Wilkinson said. "I feel it is really a recognition, to a very large extent, of Rotary International and its polio eradication efforts, as opposed to me. I will accept it on behalf of all of the people with whom I have worked over the years."

Among his many volunteer activities, Wilkinson led a fundraising effort that convinced the Canadian government to donate US\$180 million to the Global Polio Eradication Initiative.

Wilkinson has received many Rotary honors, including The Rotary Foundation's Citation for Meritorious Service, International Service Award for a Polio-free World, and Distinguished Service Award, and the RI Service Above Self Award. He has also been recognized for his humanitarian service by the Knights of Columbus and the Province of Ontario.

## THE MONTH THAT WENT BY...

All the activities of August were well planned and coordinated by Madhubabu, Gopinath Reddy, Sreenivasa Reddy and Bishwanath Das. The month started with a crisp business meet, wherein an underprivileged school boy of 4<sup>th</sup> Std was donated with books for his academic studies.

The board meeting was hosted by Rajiv at his residence. The board meet was a time for serious discussions on club projects and at the same time Ann Smita made sure we enjoyed the fellowship.

We celebrated Independence Day at Rajendra Nagar Govt. School. The flag was hoisted by the principal of the school, we donated benches for one classroom in the primary section, PDG Jawahar gifted few encyclopedias to the school library and we distributed sweets to the school children.

Members actively participated on the Polio program on Sub Immunization Day. The second meeting was a speaker meet, Dr. Jyoti Chabbria was the guest speaker and she gave us an insight on Diet Management. We had a Vocational Visit to Dataquest Ltd., along with Anns, Annets and Rotractors to understand how animated films are made. The month ended with fellowship hosted by the coordinators at Hyderabad Gymkhana club.

**What Paul Harris Said**

*“Is it not a miracle that Rotary has brought together good and influential men of all civilized countries?*

*And is it not gratifying to know that there is a platform broad enough for all men to stand on?*

*And is it not heart warming to know that men of diverse faiths and allegiances can find so much in each other, which is wholesome and good?*

*Rotary is an integrating force in a world where disintegrating forces are far more numerous.”*

xPaul P. Harris in *The Rotarian*, June 1944

**The 4-Way Test**

Of the things we think, say or do:

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?
