Monthly family fellowship hosted by Rajiv, Guddu, Sandeep and Umesh

### The Month That Went By...

The month of December started with a speaker meet, where we had RI Ambassadorial Scholar Cate Powel address our club members, she spoke about the mission with which RI had sent her here and spoke about peace process and conflict resolutions. She has been sponsored by Rotary Club of Claremont Sunrise, California.

Members of our club geared up for the TRF seminar and many of them made their contribution on the day of seminar and we received the recognition of being the third highest per capita contributor to the Foundation.

The board meet was hosted by Rtn Madhubabu, which was well attended and clubs plans and action steps were discussed at length.

The club assembly was held on 21<sup>st</sup> Dec, where we elected our board members for the year 2008-09 and last years accounts were cleared.

All the members joined the Rotaractors of Rotaract Club of Hyderabad East to Agape; it homes about 200 abandoned AIDS affected children, to celebrate Christmas. The enthusiastic Rotaractors donated a music system and organised magic show for them. Our club distributed blankets for the children and sponsored snacks, arranged by Rotaractors. Kudos to our young team of Rotaractors for doing this wonderful project.

The fellowship for the month was hosted by Smita-Rajiv, Rosie- Guddu, Chanda-Umesh and Shyamala-Sandeep at Guddu's residence. Annets Parul and Prachi did a great job in preparing the games for the families.

### Activities of Rotaract Club

The Rotaract Club of Hyderabad East has kept itself busy in the month of December by spreading smiles.

On the 8<sup>th</sup> of December, we inducted three new members into our club.

On the 21<sup>st</sup> of December, a group of us got together and made chocolate for the children at AGAPE. It was a fun filled club activity as we made chocolate and wrapped it with great enthusiasm! Our sincere thanks to Rotary Ann. Babita for sponsoring all the ingredients for the chocolate.

On the 23<sup>rd</sup> of December, we visited AGAPE, where we conducted a Magic Show for the 180 children and sang carols. Snacks were distributed and the children had a wonderful time as they were mesmerized by their first exposure to Magic. As a special Christmas gift, we gave a 1200 Watt music system to the home. We raised funds for this through a salsa workshop, conducted at Bottles and Chimneys in September of this year. At the end of the evening, we distributed the home-made chocolates which we had made especially for them. Our host club, The Rotary Club of Hyderabad East further supported this cause by donating 130 blankets and providing snacks for the children. In all, It was an evening that the children enjoyed and had them asking for more!! Thank you for making our project even more special!!

### The 4-Way Test

Of the things we think, say or do:

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?
