PRESIDENT WILFS MESSAGE

Dear fellow Rotarians,

It is the privilege of every incoming president of Rotary International to choose a theme for his year in office. For each president, the challenge is to find a theme that will encapsulate how he feels about Rotary, convey his message, and motivate Rotarians around the world for the year of service ahead.

Immediate past president Bill Boyd chose Lead the Way, and this was a wonderfully appropriate theme. His timely call to serve as the "heroes, not celebrities" that our communities need has inspired us all, and his leadership has given us a stronger Rotary.

For me, Rotary Shares was the natural choice as the 2007-08 theme. I have always felt that the essence of Rotary is about sharing. Every day, in every club, Rotarians share with others in too many ways to count. We share our time, we share our talents, and we share our resources. We share our kindness, and we share our love.

In Rotary, sharing doesn't mean giving away the things you don't need for yourself. In Rotary, sharing means giving of yourself, freely, for the good of others. It means taking the time to see what our communities need and to decide which of those needs we can meet most effectively. It means sharing what we have with those around us, as well as with those we will never have the chance to meet.

All of us came to Rotary to share what we have with others and to share our friendship and

fellowship with other Rotarians. We share Rotary with others through bringing in qualified new members, and we share Rotary with the next generation by focusing on youth.

Rotarians have so much to share, and there is so much that the world needs from us. Our vocational classification system ensures that every club contains a full range of business and professional skills. Within every Rotary club, there is a world of talents, skills, and abilities. Each club has the resources to tackle nearly any obstacle – if there is the will and the commitment to do it.

This year, I will ask all of you to say yes to the challenges that being a Rotarian will bring you. Through this year's emphases of health, literacy, water, and family of Rotary, we have an enormous range of opportunities for service. Those projects, those possibilities, those open doors all await us in the months ahead. All we need to do is say yes.

Yes, I will turn that idea into a project, and I will lead the project to completion.

Yes, I will share my skills, time, and resources with my club and with those who need my help.

Yes, I will share Rotary with others, by bringing a qualified new member into my club.

I look forward to a year in which we demonstrate that Rotary Shares, by sharing the best of ourselves with our clubs, our communities, and the world.

The Month That Went By...

The new of year of Service in Rotary started with an informal meeting with the prospective members of the Rotract Club, which we plan to start. PDG Jawahar and PDG Giri were in full action, giving the youngsters an insight about the movement of Rotract.

This was followed by our installation ceremony on 6th July at Hotel NKM Grand in presence of the District Governor Dr. T. Vijendra Rao. It was great to see the entire club in action with 100% attendance for the program and we had more than 50 visiting Rotarians from various clubs, which showed the strength of friendship of our club.

We have also done various projects during the month. Firstly, under PDG Jawahar's guidance, we joined hands with the Red Cross in providing relief materials and medicines for the victims of flood effected areas of Kurnool District.

Rtn Mohan organized a public forum on "ARTHRITIS" with the eminent Doctors from KIMS, at Bhimavaram, in association with Rotary Club of Bhimavaram Dist. 3020 on Sunday 15th July.

We have done two micro projects this month. We provided one year's school fees for an under privilege child and secondly repaired the borewell at our adopted school at Rajendra Nagar.

We inaugurated the mega community service project of construction of science lab and classroom at Rajendra Nagar Government School. The occasion was well attended by our members and graced by our Assistant Governor Rtn Sharada Rao.

The board meeting was hosted by Rtn. Sanjay at his residence. All the board members had good discussions on the plans for the year and enjoyed Ann Anu's hospitality.

The 4-Way Test

Of the things we think, say or do:

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?
